

APRIL 13 - 18, 2010 – BOSTON'S COLONIAL THEATRE

There's no better way to introduce your family to the wonders of live theater than with the magic, the mystery, the memory of CATS. What began as a musical about cats after Andrew Lloyd Webber picked up a book of poems in an airport bookshop has become one of the longest running shows in Broadway's history. Winner of seven Tony® Awards including Best Musical, CATS features 20 of Andrew Lloyd Webber's timeless melodies, including the hit song, "Memory."
